

Catholic Scripture Study International

Join us for an in-depth study of the book of Acts! We will journey with St. Luke through the trials and triumphs of the early Church. Learn about the first Church council, the first ever Gospel sermon, St. Paul's conversion, the first martyrs, and so much more!

With commentary by Steven Ray, creator of the award-winning *Footprints of God* video series, references to the Catechism of the Catholic Church, Papal Encyclicals and the Saints combined with insightful lectures on DVD presented by Catholic priests, you can be sure that this study will be faithful to Church teaching. What's more, studying in fellowship also nourishes our parish family, building a stronger community of faith!

This is usually a 30-week course which starts in September and goes until May. But since we are starting in the middle of the session, we are offering this as an introduction to Catholic Scripture Study. In September will begin the 30-week schedule. At this time there is not charge for the introduction. Starting in September there will be a one-time charge for materials.

Registration: February 11 – February 26th, 2008 (please register as soon as you can, so that we will know how many lessons we will need). Forms and a basket to put the completed ones in will be located near the entrances to the church.

Classes begin: February 27, 2008, 6:30-8:00 PM in the Adult Meeting Room located in the school
